## UK/EU Regulatory Day: Regulatory concept review and harmonization

Efficiency, agility, margin optimisation

11 September 2019 – Epsom UK

14.00 **Nutrition and Health claims – Learning from the Challenger Brands**

Simon Linsley, Regulatory Consultant, Leatherhead Food Research

15.00 *Refreshments*

15.15 **Nutrition and Health Taxes in Europe**

*The EU member states are increasingly using taxation as a tool to stimulate the consumption of healthier foods and beverages and to encourage companies to reformulate products. This presentation looks at the current and proposed approaches taken in different markets, and which products are affected.*

Luke Murphy, Leatherhead Food Research

15.45 **Brexit Update**

*The presentation will cover the political situation with regards to how it is affecting BREXIT currently and any forthcoming changes that are foreseen. We will also use The Food (Amendment) (England) (EU Exit) Regulations 2019 (Statutory Instrument 2019 No. 529) to illustrate how retained direct EU legislation is being brought into EU Law.*

Oliver Leedam, Regulatory Consultant, Leatherhead Food Research

16.30 **Round up**

16.45 *Close*
